**I. Call to Order** – Andrea Kennedy sent an email for a vote on one (1) program change on April 19, 2013.

**II. Open Issues**

**A. Therapeutic Massage:**

a) Add CIS-111 to spring semester of the Massage Therapy Program. The program was incomplete and required another course be added.

Kirk Stephens motioned to accept the change. Scott Baker seconded the motion. Seven voted in favor of the proposal. It was suggested that CIS be offered in the first semester instead of second because other general education courses will utilize computers. Moving the course can be revisited next year. The proposal passed.
