Website is updated.

New Business:

There was some discussion about the expectations of career division. Faculty senate at this time does not see any divergence from the faculty handbook. Vicki to investigate if there is a formal grievance or appeal policy for faculty.

There has been a request for further investigation about an appeal policy for decisions made by Administration as far as academic freedom, letters in files, students complaints.

Discussion was taken on about work load. Hilary Seagle moved that faculty senate not take on workload overall. Carolyn Porter seconded. The motion was approved by consent.

Kimi Walker made a motion to discuss the possibility of a uniform grading scale across the college. The conclusion was made that the issue may lie within an every growing demanding expectation of health science students.

Meeting was adjourned at 1:00
