**Articulation Agreement between Southwestern Community College and Western Carolina University for transfer of credit from the A.A.S. in Civil Engineering Technology degree at SCC into the Bachelors of Science in Construction Management degree at WCU.**

- A. SCC students will be admitted as candidates for the articulation program in Construction Management at WCU upon the completion of the A.A.S. in Civil Engineering Technology program at SCC.
- B. To graduate from Western with The Bachelor of Science degree in Construction Management all students must complete the degree requirements per academic regulations listed in *The Record*, the WCU Undergraduate Catalog.
- C. Students wishing to graduate with a Bachelor of Science degree in Construction Management must meet all residency requirements for graduation from WCU, which includes completion of the last 25% of course work to be taken at WCU
- D. This agreement will run continually without need for renewal. Updates to the agreement will be initiated and processed every two years. The update process will be completed as follows: copies of this agreement will be distributed to deans and department heads by February 1 of each update year. Updates or "no change" approvals to this agreement should be returned by March 15. If curriculum changes are identified by either institution during the review process, parties from both institutions will review and approve the proposed changes and make necessary updates to the course equivalency outline.
- E. Either party upon written notice can terminate this agreement. If the agreement is terminated, SCC students who have matriculated at WCU can continue until completion of the baccalaureate degree if they are continuously enrolled at Western. Also, students who are enrolled at SCC at the time may continue under the terms of the agreement as long as they are continuously enrolled. If the student ceases enrollment for two regular academic semesters, he/she must re-enroll under the most recently adopted agreement.
