The President's Council met at 1:00 p.m. on Monday, March 27, 2006 in the Bradford Hall Conference Center. Chairman Phil Weast called the meeting to order at 1:00 p.m.

SACS Update:

Gene Couch presented a brief update on the ongoing SACS reaccreditation process. The Compliance Team has completed their work and the report has been sent to the off-site review team. Following the initial review, the review team will contact the college if further clarification or comments are required. Dr. Couch commended the Compliance Team for their efforts. The QEP Team has been working diligently on gathering information and data for the QEP's "Writing Across the Curriculum" focus. Efforts are progressing well and the Team is on schedule.

Review of Planning Assumptions for 2006-07:

At the November President's Council meeting, members were assigned to teams to review each section of the SCC Planning Assumptions and bring proposed revisions/suggestions back to the Council. Dr. Weast facilitated a review and discussion of the 2006-07 Planning Assumptions for the Education & Training, Demographic, Political, Social, Technology, Facilities/Property Acquisition and SWOT sections. These revisions will be compiled and sent to Council members via email for their review. The Council will schedule an additional meeting to finalize and approve the final draft. Dr. Weast thanked the group for their hard work on the Planning Assumptions revision.

The meeting adjourned at 2:50 p.m.
