

2	8,9 1,2 3,5 6,7 8,9	1 7	The Nature of America will be revamped and taught online in the Spring with an emphasis on American military history.	Students will take this course in significant numbers and this will fill a critical need in our online offerings.	Smarthinking, and their instructor. This course will be fully developed during the fall for implementation in Spring 2009.
3	1,2 ,3, 5,6 ,7, 8,9	1 , 2 , 6	Tracy sill use Writing Across the Curriculum methods in Psychology classes.	Students will be evaluated throughout the semester using standard course assignments.	Students will be given both formal and informal writing assignments as a means to promote learning. They will also be required to take advantage of additional tools such as the LAC, IRC, and Smartthinking.
4	1 2 3 6 7 8 9	1 7	Tracy will develop Psychology 150 as a Hybrid class which will incorporate both face-to-face and online teaching methods.	Students will be able to make use of face-to-face and online methods of learning and assessment.	The face-to-face and online instruction will support each other giving students a broader range of learning options.
5	1,2 3,5 6,7 8,9	1 2 6	Bucky will continue to use Writing Across the Curriculum methods in all classes.	Students will be evaluated throughout the semester using standard course assignments.	Students will be given formal writing assignments, including three page essays and research papers. They will be encouraged to use the LAC and Smartthinking for additional help.
