

Phlebotomy Program

2007-2008

Criteria Results Be sure to utilize most current data available	End of Year Analysis (Goals achieved, impact of equipment purchased, improvements to your program, contingencies, etc.) Describe how you used the results to improve your program
Goal 1: We had 2 phlebotomy graduates in 2007. Only 1 chose to take the certification exam and she passed. We have 100% passing for 2007. One of the graduates in practicing as a CNA with phlebotomy duties and the other is re-entering the MLT program in Fall 2008.	100% passing on national certification exam for 2007. Continue to strive for excellence
Goal 2: 100% of graduates demonstrated psychomotor ability and met or exceeded 3.0 on the employer graduate questionnaire and on on the student clinical lab objectives check off list.	All graduates met this goal. Continue to strive for excellence.
Goal 3: 100% of graduates demonstrated affective ability and met or exceeded 3.0 on the employer graduate questionnaire and on the professional capabilities check off sheet.	All graduates met this goal. Continue to strive for excellence.
