SUBJECT: College-Wide Meeting

As you know, Southwestern Community College is beginning the reaffirmation process with the Southern Association of College and Schools (SACS). There are two major components of this process – the completion of a compliance report and a Quality Enhancement Plan (QEP). In the compliance report the college's processes are evaluated against the Principles of Accreditation: Foundation for Quality Enhancement. The QEP is a major project in which the college commits significant energy and resources to improve student learning.

There will be a college wide meeting to have a briefing on SACS and the process ahead. The meeting is scheduled for Friday, February 18, 2005 at 1:30pm in Myers Auditorium, Balsam Center.

This is obviously a very important event/process for the college and I would appreciate your making every effort to participate in the meeting.
