2004-2005 Student Support Services
Performance Report Highlights:

T 90% of program participants were retained within the project year.

T 65% of program participants were retained fall 2004 to fall 2005.

T 81% of program participants were in good academic standing at the end of the program year.

T 83% of participants requesting tutoring achieved a passing grade in the tutored course.

T 27% of full time, degree seeking, program participants graduated.

T 16% of the identified transfer population transferred to senior institutions by the end of the program year; while 2% transferred to another community college.

T The “rawness” of it all: 188 students met the “participant” definition to be included on the report (I can tell you more about this later, if you like, we actually provided some level of service to many, many more students.)

188 total reported for 2004-2005 academic year.
25 graduated
  6 graduated and transferred
  4 transferred
104 are continuing with us in 2005-2006.

139 students (74%) of students involved with SSS were successful!
