STUDENT LEADERSHIP ASSOCIATION

Student Organizations - Clubs

Students are encouraged to form clubs and organizations focusing on special interests or curriculum programs. Although clubs have membership requirements, no organization at SCC discriminates on the basis of race, color, sex, age, disability, religion, nationality or political preference. Requirements for establishing student clubs and organizations are detailed in the SLA Handbook. Student organizations must have official SLA recognition to use SCC's facilities or to conduct any activity on campus.

Advertising and Graphic Design Club
Cultural enrichment through field trips to museums and exhibitions and an end-of-the year trip for graduates are objectives of the Advertising and Graphic Design Club. The group also raises funds for art supplies and professional models for life study and basic drawing classes.

Criminal Justice and Cyber Crime Student Association
This organization seeks to broaden the perspectives of students in the fields of Criminal Justice and Cyber Crime. The association offers opportunities for educational enrichment and career advancement through field trips, conferences and contacts with law enforcement agencies and private organizations.

Culinary Arts Club
This organization seeks to assist culinary arts students to increase their knowledge of this field; makes recommendations to ensure quality and excellence within the culinary arts program; seeks to raise funds which enable the organization to attend and participate in food service related field trips and seminars; and raises funds in order to assist in the purchase of needed equipment for the culinary arts classroom.

Electronics Club
The Electronics Club increases members knowledge of their career field through field trips, contacts with business and industry and sessions with former students and graduates. Team building activities strengthen the program by building camaraderie among the students in electronics engineering technology and computer engineering technology.

Emergency Medical Technician (EMT) Club
This organization seeks to advance the professionalism and training of students pursuing emergency medical services training. The EMT club has conducted successful fund raising activities which have allowed members to attend professional conferences.

Health Information Technology (HIT) Club
This club seeks to advance the professionalism of HIT majors and enable the membership to earn the necessary funds to attend related conferences.

Human Services Technology Club
The Human Services Technology and HST/Substance curriculum established a club to encourage fellowship between HST students, to offer opportunities for additional learning, to promote leadership and to inform others about drug and alcohol issues.
Information Systems Club
This club seeks to promote the rapidly advancing field of computer information systems. Members are interested in how modern organizations process, manage and communicate information.

NEW! Internet Technology Professionals . . more info coming soon

Latent Image Club
The Latent Image Club was organized to raise funds for attendance and participation in annual student and graduate technologist seminars, to provide a means of unity and support between first and second year students, and to consider and make recommendations to ensure quality and excellence within the Radiography program.

Medical Laboratory Technology Association
The MLT Association was founded for the following reasons: to provide a means of unity and support among first and second year students; to consider and make recommendations to ensure quality and excellence within the MLT program; to raise funds for field trips and seminars and the purchase of new equipment; to inform the community about medical technology and the health care profession; to increase student knowledge of the MLT career field; to promote mutual understanding between administration and the student body; to promote and coordinate student activities.

Montage Club

Native American Society
This club promotes interests and participation in:

- awareness and understanding in native cultural activities;
- gatherings and education regarding all things Native American;
- community services;
- fostering respect for the beliefs of all people.

Occupational Therapy Assistant Club
The Occupational Therapy Assistant Club was established to promote friendship among class members, raise funds to finance a class trip and the certification exam, to promote the OTA program and to participate in community support programs for persons with disabilities.

Office Systems Technology Club
The Office Systems Technology Club was established to promote professionalism, camaraderie and support for those students in the Office Systems Technology and Virtual Office Assistance curriculum.

Paralegal Club
See Legal Eagle web page- (currently under construction . . )

Phi Beta Lambda
Phi Beta Lambda is the newest SGA-sponsored student organization on campus. However, it is the oldest (1958) and largest (over 10,000 college student members) national organization for encouraging students to prepare for careers in business leadership. Through this professional group students learn to use the tools that they will need to thrive in a rapidly changing world. Phi Beta Lambda is part of the Future Business Leaders of America. It seeks to provide a relevant context for learning, including practical applications for classroom skills and knowledge. Students are given the opportunity to compete in events testing their business knowledge and skills. Phi Beta Lambda plans projects to benefit the community such as raising money for the March of Dimes. The organization sponsors regional and national conferences as well as an Institute for Leaders.
Phi Theta Kappa
Phi Theta Kappa is the National Honorary Scholastic Fraternity of Community and Junior Colleges.

The purpose of Phi Theta Kappa is to recognize and to encourage scholarship, leadership and service among two-year college students. Membership in Alpha Eta Nu Chapter at SCC is extended by invitation. To be considered for membership you must be enrolled as a full-time student, have maintained a cumulative GPA of 3.5 or higher for two consecutive semesters, have established academic excellence as judged by the faculty, be of good moral character and possess recognized qualities of citizenship.

PTA Reconstructors Club
The Physical Therapist Assistant (PTA) curriculum established an organization for the following reasons: to foster unity and support among the first and second year students; to increase student knowledge about the PTA career field; to raise funds for the purchase of new equipment and for fees associated with field trips and conventions; to inform the community about physical therapy and the health care profession; to consider and make recommendations to ensure quality and excellence within the PTA program.

Respiratory Therapy Club
Objectives of the Respiratory Therapy Technology (RTT) club are to raise funds to enable club members to attend workshops and lectures, such as the North Carolina State society meeting, and to purchase educational materials and equipment; to further the education of the RTT students by attending meetings and lectures of individuals employed in the field of respiratory care; to encourage RTT students to exchange ideas and to socialize.

Spanish Club - See Spanish club webpage

Teachers of Youth
The purpose of the Teachers of Youth (TOY) Club is to work with area childcare centers, provide community services that benefit children and their families, and to become better teachers by participating in field trips that are relevant to the Early Childhood curriculum.
