§ 115D-5. Administration of institutions by State Board of Community Colleges; personnel exempt from State Personnel Act; extension courses; tuition waiver; in-plant training; contracting, etc., for establishment and operation of extension units of the community college system; use of existing public school facilities.

(a) The State Board of Community Colleges may adopt and execute such policies, regulations and standards concerning the establishment, administration, and operation of institutions as the State Board may deem necessary to insure the quality of educational programs, to promote the systematic meeting of educational needs of the State, and to provide for the equitable distribution of State and federal funds to the several institutions.

The State Board of Community Colleges shall establish standards and scales for salaries and allotments paid from funds administered by the State Board, and all employees of the institutions shall be exempt from the provisions of the State Personnel Act. The State Board shall have authority with respect to individual institutions: to approve sites, buildings, building plans, budgets; to approve the selection of the chief administrative officer; to establish and administer standards for professional personnel, curricula, admissions, and graduation; to regulate the awarding of degrees, diplomas, and certificates; to establish and regulate student tuition and fees within policies for tuition and fees established by the General Assembly; and to establish and regulate financial accounting procedures.

The State Board of Community Colleges shall require all community colleges to meet the faculty credential requirements of the Southern Association of Colleges and Schools for all community college programs.

(a1) Notwithstanding G.S. 66-58(c)(3) or any other provisions of law, the State Board of Community Colleges may adopt rules governing the expenditure of funds derived from bookstore sales by community colleges. These expenditures shall be consistent with the mission and purpose of the Community College System. Profits may be used in the support and enhancement of the bookstores, for student aid or scholarships, for expenditures of direct benefit to students, and for other similar expenditures authorized by the board of trustees, subject to rules adopted by the State Board. These funds shall not be used to supplement salaries of any personnel.

(a2) The State Board of Community Colleges shall comply with the provisions of G.S. 116-11(10a) to plan and implement an exchange of information between the public schools and the institutions of higher education in the State.

(a3) The State Board of Community Colleges shall adopt the following rules to assist community colleges in their administration of procedures necessary to implement G.S. 20-11 and G.S. 20-13.2:

(1) To establish the procedures a person who is or was enrolled in a community college must follow and the requirements that person must meet to obtain a driving eligibility certificate.

(2) To require the person who is required under G.S. 20-11(n) to sign the driving eligibility certificate to provide the certificate if he or she determines that one of the following requirements is met:
   a. The person seeking the certificate is eligible for the certificate under G.S. 20-11(n)(1) and is not subject to G.S. 20-11(n1).
b. The person seeking the certificate is eligible for the certificate under G.S. 20-11(n)(1) and G.S. 20-11(n1).

(3) To provide for an appeal through the grievance procedures established by the board of trustees of each community college by a person who is denied a driving eligibility certificate.

(4) To define exemplary student behavior and to define what constitutes the successful completion of a drug or alcohol treatment counseling program.

The State Board also shall develop policies as to when it is appropriate to notify the Division of Motor Vehicles that a person who is or was enrolled in a community college no longer meets the requirements for a driving eligibility certificate. The State Board also shall adopt guidelines to assist the presidents of community colleges in their designation of representatives to sign driving eligibility certificates.

The State Board shall develop a form for the appropriate individuals to provide their written, irrevocable consent for a community college to disclose to the Division of Motor Vehicles that the student no longer meets the conditions for a driving eligibility certificate under G.S. 20-11(n)(1) or G.S. 20-11(n1), if applicable, in the event that this disclosure is necessary to comply with G.S. 20-11 or G.S. 20-13.2. Other than identifying under which statutory subsection the student is no longer eligible, no other details or information concerning the student's school record shall be released pursuant to this consent.

(b) In order to make instruction as accessible as possible to all citizens, the teaching of curricular courses and of noncurricular extension courses at convenient locations away from institution campuses as well as on campuses is authorized and shall be encouraged. A pro rata portion of the established regular tuition rate charged a full-time student shall be charged a part-time student taking any curriculum course. In lieu of any tuition charge, the State Board of Community Colleges shall establish a uniform registration fee, or a schedule of uniform registration fees, to be charged students enrolling in extension courses for which instruction is financed primarily from State funds; provided, however, that the State Board of Community Colleges may provide by general and uniform regulations for waiver of tuition and registration fees for persons not enrolled in elementary or secondary schools taking courses leading to a high school diploma or equivalent certificate, for training courses for volunteer firemen, local fire department personnel, volunteer rescue and lifesaving department personnel, local rescue and lifesaving department personnel, Radio Emergency Associated Citizens Team (REACT) members when the REACT team is under contract to a county as an emergency response agency, local law-enforcement officers, patients in State alcoholic rehabilitation centers, all full-time custodial employees of the Department of Correction, employees of the Department's Division of Community Corrections and employees of the Department of Juvenile Justice and Delinquency Prevention required to be certified under Chapter 17C of the General Statutes and the rules of the Criminal Justice and Training Standards Commission, trainees enrolled in courses conducted under the New and Expanding Industry Program, clients of sheltered workshops, clients of adult developmental activity programs, students in Health and Human Services Development Programs, juveniles of any age committed to the Department of Juvenile Justice and Delinquency Prevention by a court of competent jurisdiction, prison inmates, and members of the North Carolina State
Defense Militia as defined in G.S. 127A-5 and as administered under Article 5 of Chapter 127A of the General Statutes. Provided further, tuition shall be waived for senior citizens attending institutions operating under this Chapter as set forth in Chapter 115B of the General Statutes, Tuition Waiver for Senior Citizens. Provided further, tuition shall also be waived for all courses taken by high school students at community colleges in accordance with G.S. 115D-20(4) and this section.

(c) No course of instruction shall be offered by any community college at State expense or partial State expense to any captive or co-opted group of students, as defined by the State Board of Community Colleges, without prior approval of the State Board of Community Colleges. Approval by the State Board of Community Colleges shall be presumed to constitute approval of both the course and the group served by that institution. The State Board of Community Colleges may delegate to the President the power to make an initial approval, with final approval to be made by the State Board of Community Colleges. A course taught without such approval will not yield any full-time equivalent students, as defined by the State Board of Community Colleges.

(c1) Community colleges shall report full-time equivalent (FTE) student hours for correction education programs on the basis of contact hours rather than student membership hours. No community college shall operate a multi-entry/multi-exit class or program in a prison facility, except for a literacy class or program.

The State Board shall work with the Department of Correction on offering classes and programs that match the average length of stay of an inmate in a prison facility.

(d) Community colleges shall assist in the preemployment and in-service training of employees in industry, business, agriculture, health occupation and governmental agencies. Such training shall include instruction on worker safety and health standards and practices applicable to the field of employment. The State Board of Community Colleges shall make appropriate regulations including the establishment of maximum hours of instruction which may be offered at State expense in each in-plant training program. No instructor or other employee of a community college shall engage in the normal management, supervisory and operational functions of the establishment in which the instruction is offered during the hours in which the instructor or other employee is employed for instructional or educational purposes.

(e) Repealed by Session Laws 1999-84, s. 3, effective May 21, 1999.

(f) (See editor's note) A community college may not offer a new program without the approval of the State Board of Community Colleges except that approval shall not be required if the tuition for the program will fully cover the cost of the program. If at any time tuition fails to fully cover the cost of a program that falls under the exception, the program shall be discontinued unless approved by the State Board of Community Colleges. If a proposed new program would serve more than one community college, the State Board of Community Colleges shall perform a feasibility study prior to acting on the proposal.

The State Board of Community Colleges shall report on an annual basis to the Governor, Lieutenant Governor, the Speaker of the House of Representatives, the Joint Legislative Commission on Governmental Operations, and the Advisory Budget Commission on all new programs it approved during the year. The report shall include the specific reasons for which each program was approved.
(g) Funds appropriated to the Community Colleges System Office as operating expenses for allocation to the institutions comprising the North Carolina Community College System shall not be used to support recreation extension courses. The financing of these courses by any institution shall be on a self-supporting basis, and membership hours produced from these activities shall not be counted when computing full-time equivalent students (FTE) for use in budget-funding formulas at the State level.

(h) Whenever a community college offers real estate continuing education courses pursuant to G.S. 93A-4A, the courses shall be offered on a self-supporting basis.

(i) The State Board of Community Colleges shall report to the Joint Legislative Education Oversight Committee on September 1 of each year on expenditures for the New and Expanding Industry Program each fiscal year. The report shall include, for each company or individual that receives funds for New and Expanding Industry:
   (1) The total amount of funds received by the company or individual;
   (2) The amount of funds per trainee received by the company or individual;
   (3) The amount of funds received per trainee by the community college training the trainee;
   (4) The number of trainees trained by company and by community college; and
   (5) The number of years the companies or individuals have been funded.

(j) The State Board of Community Colleges shall use its Board Reserve Fund for feasibility studies, pilot projects, start-up of new programs, and innovative ideas. The State Board shall report to the Joint Legislative Education Oversight Committee on expenditures from the State Board Reserve Fund on January 15 and June 15 each year.

(k) The North Carolina Community College System's New and Expanding Industry Training (NEIT) Program Guidelines, which were adopted by the State Board of Community Colleges on April 18, 1997, apply to all funds appropriated for the Program after June 30, 1997. A project approved as an exception under these Guidelines, or these Guidelines as modified by the State Board of Community Colleges, shall be approved for one year only.

(l) The State Board shall review and approve lease purchase and installment purchase contracts as provided under G.S. 115D-58.15(b). The State Board shall adopt policies and procedures governing the review and approval process.

(m) The State Board of Community Colleges shall require auditors of community college programs to use a statistically valid sample size in performing program audits of community colleges.

(n) The North Carolina Community Colleges System Office shall provide the Department of Revenue with a list of all community colleges, including name, address, and other identifying information requested by the Department of Revenue. The North Carolina Community Colleges System Office shall update this list whenever there is a change.

(o) The General Assembly finds that additional data are needed to determine the adequacy of multicampus and off-campus center funds; therefore, multicampus colleges and colleges with off-campus centers shall report annually, beginning September 1, 2005, to the Community Colleges System Office on all expenditures by line item of funds used to support their multicampuses and off-campus centers. The Community Colleges System Office shall report on these expenditures to the Education Appropriation
Subcommittees of the House of Representatives and the Senate, the Office of State Budget and Management, and the Fiscal Research Division by October 1 of each year.
