SCC's VALUES FOR TEACHING EXCELLENCE

“A teacher affects eternity; he can never tell where his influence stops.”

Henry Brooks Adams

- Inspires students to become independent learners.
- Promotes the development of critical-thinking skills.
- Respects each student as an individual.
- Fosters a sense of cooperation and community in and out of the classroom.
- Recognizes the use of technology to enhance the teaching-learning process.
- Engages students in learning for practical use and personal growth.
- Provides an innovative and accessible educational experience.

“We feel that something unique happens between the student and the instructor at Southwestern Community College. As we honor our past and look to the future, this seemed like a good point in our college’s history to describe that distinctive relationship between faculty member and student.”

Gene Couch, Vice President for Instruction and Student Services
