Most of our Professional Licensure and Certification classes are guaranteed. If you pass those courses, we guarantee you will pass the state certificate or licensure exam -- or we will reimburse your registration fee.

If you do not see your profession represented and would like to request training, call 828.497-7233, or e-mail, scotts@southwesterncc.edu.

Building Level II Standard Inspection Course: (40 hrs.) The Building Level II course is designed for the education and training of the Building Level II code enforcement official who has the responsibility of inspecting all types of construction up to 60,000 square feet in size and is built upon information presented in the Building Level I Standard Inspection course. Upon completion, course participants will have a better understanding of the Building Code and the Accessibility Code of the North Carolina State Building Code and will be able to apply the Code in the inspection field. In addition, with the successful completion of the Building Level II and the Law and Administration courses in conjunction with other education and experience requirements specified by the North Carolina Code Officials Qualification Board, course participants will be eligible to take the Building Level II State examination for inspector certification. (Students must bring current editions of the Building Code, Accessibility Code, Residential Code, and Manufactured Housing Code book).

On-Line Teacher Recertification Courses

Registration and Information: If you are a highly motivated learner with a busy schedule, taking a class over the Internet offers an opportunity to gain skills without the structure of the traditional classroom. These courses are all six week courses and enable you to earn CEUs (based on your final exam).

Start Dates: A new section of every course in this schedule will begin on the following dates: 9/21, 10/19, or 11/09. To review the course description and outlines, and to register for these classes, visit www.ed2go.com/scc. For additional information, e-mail hanks@southwesterncc.edu
How to Get Started:

2. Click the Orientation link and follow the instructions to enroll and pay for your course. During orientation, choose the name and password to access your course. After orientation you will be sent a registration form via email. Print out, sign and return by mail to Southwestern Community College, 23 Macon Avenue, Franklin, NC 28734 or fax (828) 349.9692 with payment at least three days before class starts.

All courses that have an * are Self-Supporting.
