Congratulations on your acceptance to Southwestern Community College, and welcome to this online Orientation!

Did you know that you are attending an award winning college? SCC received a superior rating (that's an A+) on the North Carolina Community College report card in 2004-05! SCC celebrated its 40th anniversary in 2005 and enrolled the highest number of students in its history - more than 2000 curriculum students at the Jackson campus and the off-campus centers including Cashiers, Cherokee, Macon County, and Swain County.

This online Orientation was developed to help you become aware of important policies and services offered at Southwestern Community
College, as well as providing you with some information that will help you manage your educational career.
