NORTH CAROLINA COMMUNITY COLLEGE SYSTEM

June 25, 1998

Dr. David W. Sink, President
Blue Ridge Community College
College Drive
Flat Rock, North Carolina 28731

Dear Dr. Sink:

This letter is in response to the collaborative agreement between Blue Ridge Community College (college approved to offer the curriculum), and Southwestern Community College (participating college) for the Environmental Science Technology (A20140) program.

The agreement is acceptable as written and includes the essential information needed for a collaborative agreement as stated in 23 NCAC 2E.0604. A copy of the agreement is enclosed.

The participating college should now electronically enter the courses that it is allowed to teach under the terms of the agreement. This program of study will be electronically forwarded to the college approved to offer the curriculum for its review and approval before the System Office receives the curriculum for final review.

If this agreement becomes inactive, a letter of termination must be submitted by the President of Blue Ridge Community College to the Vice President of Academic and Student Services at the System Office. If you have any questions or need assistance, please contact Dr. Elizabeth Lambert Johns at (919) 733-7051, extension 413.

Sincerely,

\[Signature\]

H. Martin Lancaster

Dear Beth:  

Please find an Articulation Agreement for Environmental Science Technology between Southwestern Community College and Blue Ridge Community College. The attached agreement is an original. The agreement was effective at the date of signing.  

If you need additional or clarifying information, please feel free to contact me. Thank you.  

Sincerely,  

Joseph T. Barwick, Ph.D.  
Vice President of Instruction and Student Development  

Attachment
Articulation Agreement
for
Environmental Science Technology (A20140)
Between
Blue Ridge Community College
and
Southwestern Community College

This is an articulation agreement between Southwestern Community College (SCC), Sylva, North Carolina, and Blue Ridge Community College (BRCC), Flat Rock, North Carolina, for the Environmental Science Technology program (A20140).

Both institutions agree to the following:

- Blue Ridge Community College is approved by the State Board of Community Colleges to offer the curriculum and will award the AAS degree.

- Through this agreement, Southwestern Community College will offer two semesters of the Environmental Science Technology coursework. The aforementioned coursework will primarily be based on the first two semesters of coursework identified in the Blue Ridge program. The specific courses are below:

<table>
<thead>
<tr>
<th>Semester I</th>
<th>Semester II</th>
</tr>
</thead>
<tbody>
<tr>
<td>ENV 110</td>
<td>ENG 114</td>
</tr>
<tr>
<td>OR</td>
<td>CHM 132</td>
</tr>
<tr>
<td>BIO 140&amp;</td>
<td>BIO 111</td>
</tr>
<tr>
<td>BIO 140A</td>
<td><strong>Social Science Elective</strong></td>
</tr>
<tr>
<td>ENG 111</td>
<td>ENG 111A</td>
</tr>
<tr>
<td>ENG 111A</td>
<td>HUM</td>
</tr>
<tr>
<td>HUM</td>
<td>CHM 131</td>
</tr>
<tr>
<td>CHM 131</td>
<td>CHM 131A</td>
</tr>
</tbody>
</table>

- Students successfully completing coursework ("C" or above) at SCC will be able to transfer to BRCC to complete the program.

- Each college will bear the instructional cost for the courses taught at its respective institution. Furthermore, each college will report and claim the FTE's generated by these courses.

- This agreement will be reviewed every two years and revised as needed.

- Signatures certify that appropriate and adequate resources are available at both colleges.

- This agreement does not affect any other agreement currently in effect between the two institutions or any other agreements that may occur in the future.

- This agreement may be terminated by either college. Notice of termination (three months in advance) must be in writing. Furthermore, students enrolled in the program, at the time of termination, must be provided the opportunity to complete the program.
