

ACADEMIC INFORMATION

COMMENCEMENT APPLICATION

Commencement exercises are held at the end of the spring and summer semesters for all students who are candidates for degrees, diplomas or certificates. Students should apply between the first and 50th class day of the semester in which they expect to complete their program. Applications will not be accepted after the announced deadline. Application steps are as follows:

1. For each major, obtain an Application for Commencement from the Registrar's Office or academic advisor.
2. Complete the candidates section of the application.
3. Take the application to your advisor.
4. Pay a commencement fee at the college bookstore and all debts owed to the College at the Business office.
5. Submit application to the Registrar's office for final approval prior to the announced deadline.
6. All applicants must have completed all requirements by the end of the spring semester if they plan to participate in spring commencement.

Students completing requirements during the summer and fall semesters can apply for commencement and pay fees at the end of the particular semester. No formal exercises are held. If the student is qualified, the Registrar orders credentials and mails them to the student. Those completing degrees, diplomas and certificates at the end of the summer or fall semesters may participate in the next spring commencement exercises by simply stating their intention in a letter to the Registrar. Those who apply and do not qualify must reapply after deficiencies are completed. Credentials will not be ordered and held for students to complete requirements in a subsequent semester.

A student must maintain an overall average of C (2.00 GPA) in order to graduate. Some health science programs have additional graduation requirements as defined by those programs.

NOTE: Students enrolled in a course(s) required for graduation at another college, must submit a copy of the registration form to the Registrar.

GRADING SYSTEM

Official grades are issued for every student at the end of each semester. Students enrolled in curriculum courses will be graded by the letter grade system and assigned a grade point average (GPA) for each semester. Instructors inform students about their specific grading scales. The College does not have a uniform grading scale.

The GPA is determined by dividing the total number of quality points by the number of credit hours attempted.

A GPA of 2.00 is required for graduation. Transfer credits are not included in the GPA computation.

ACADEMIC INFORMATION

Grade Definition	Grade Points per Semester Hour
A The student has, in a superior way, met the objectives established for the course.	4
B The student has more than adequately met the objectives established for the course.	3
C The student has adequately met the objectives established for the course.	2
