Overview

LIBRARY FACILITY

SCC’s Holt Library is located on the south end of Jackson campus in an 11,000 square foot building. To accommodate different learning styles, 110 seating spaces are arranged in study areas for collaborative study, quiet computer use, and silent study. Students and employees use their SCC photo ID card as a library card. Library checkouts can be routed to students at Macon and Swain centers by courier. The Library also provides services and library cards to local community residents age 16 and over with a driver’s license or NC ID card.

LIBRARY MISSION

The Mission of Holt Library is to provide an information commons for learning resources designed to support and implement the total instructional program of the College. Its chief aim is to contribute to the realization of the institution’s objectives by acquiring, organizing and circulating the books, periodicals, audiovisuals, and online resources and materials needed to support the instructional program; to provide a variety of learning and study options; to provide instruction in the use of resources; and to promote the cultural development of library users.

COLLECTIONS AND SERVICES

The Library building houses an academic collection of print-copy books, periodicals, and audiovisuals, plus a selection of online databases for 24/7 access to e-books, academic reference sources, peer reviewed journals, streaming videos, and more. Staff assistance is available in person, by phone, and by email. Study spaces include a networked computer lab with 26 workstations and wireless laptop access. Computer workstations offer the Microsoft Office suite and connection to a black-and-white printer. Instructors, student study groups, and community members may schedule the Conference/Instruction room, one group study room, or one individual study room.

The book collection offers 30,000 non-fiction volumes selected by faculty to support academic course offerings, along with a Fiction collection and a Reference collection of specialized resources, subject encyclopedias, and literary criticism. The Library subscribes to 140 academic journals and magazines in print format. Audiovisual media include DVDs, videotapes, and CDs that may be used in study rooms and/or checked out. Faculty Reserves provide student access to course-specific supplementary materials such as books, DVDs, scientific study kits, and more.
ONLINE RESOURCES

To access Library resources online, students and SCC employees should login to the MySCC portal and click the Library tab. This password-protected Library portal provides complete access to all subscription-based research sources and information about Southwestern's Library services and resources.

ONLINE LIBRARY CATALOG:

CCLINC (Community College Libraries In NC) is the shared online catalog of our local library and 50 community college libraries in NC. Users may access books and items in the local Library, or request books from other libraries by contacting Holt Library staff. Holt Library receives CCLINC books by mail in about a week. Nationwide Interlibrary Loan service is also available by contacting Holt Library staff. Interlibrary loans are free for students and college employees.

All checked-out library materials must be returned or renewed by the due date. All student library accounts must be cleared of overdues and fines before students can register, receive grades, graduate, or receive a transcript.

ONLINE RESEARCH DATABASES:

NC LIVE provides access to full-text content and indexing for magazine articles, professional and business journals, peer-reviewed scholarly publications, streaming video, e-book reference sources, and much more. On-campus users DO NOT need a password. Log in to MySCC, then choose the “Library” tab at the top of the page. From the website, “NC LIVE offers free electronic access to resources for all ages on topics ranging from careers, business, and investing, to health, history, and genealogy. Ebooks, audiobooks, videos, magazines, newspapers, journals, language-learning tools, and other online materials available through NC LIVE are designed for at-home use, and are available from any Internet connection via NC library websites.”

ONLINE LIBRARY HELP:

NC KNOWS is an online reference chat service that connects students to a Librarian to provide 24/7 answers, articles, and more. It is linked on our website, and it appears in a pop-up window in NC LIVE.

MORE RESEARCH DATABASES:

Westlaw Campus Research is a collection of United States legal research, criminal justice resources, business information, and worldwide news.
LIBRARY RESEARCH INSTRUCTION

Research assistance for individuals is available in person, by phone, by email, or via NC KNOWS chat. Students may either walk in or make an appointment to meet with a library staff member for individual face-to-face assistance.

Library research instruction is available to SCC classes, regardless of location or mode of delivery. All SCC students receive basic library instruction through the required ENG 111 class. Faculty members may request library instruction to either demonstrate basic research skills or to highlight relevant database content for specific courses. Research workshops are taught in face-to-face classes by a Librarian who holds the MLS degree from an ALA-accredited Library Science program. The Librarian also travels to Macon and Swain centers to teach these workshops. The same Librarian creates online workshops in BlackBoard, and all SCC students have a link to the basic research workshop in their BlackBoard account. The basic workshop discusses creation and use of the library user’s account; how to search for and request traditional library books in the online card catalog; and basic searching for digitized publications in at least one of the NC LIVE academic databases.

LIBRARY POLICIES AND PROCEDURES

8 a.m. to 3 p.m. Friday*

*Library hours are determined by the College academic calendar. Please check our website or call about hours during student breaks and holidays.

LIBRARY & I.D. CARDS

The SCC photo ID card is also the SCC Library card. Students and College employees may bring their photo ID card to the Library to register the barcode number as a library account number. This is required as a one-time process. Library staff will scan the barcode on the card to begin a library transaction, so it is necessary to bring the card into the library.

Users who need to register from a distant location may contact staff via library@southwesterncc.edu.

All SCC students have a link to the basic research workshop in their BlackBoard account. The basic workshop discusses creation and use of the library user’s account; how to search for
and request traditional library books in the online card catalog; and basic searching for
digitized publications in at least one of the NC LIVE academic databases.

FINDING BOOKS & ARTICLES

Students & Employees: Login to MySCC, then select the Library tab. Select SCC Holt Library
Catalog to search for books and audiovisuals. To search for scholarly articles, select NC LIVE,
Westlaw Campus Research, or EBSCO Academic Search Premier.
Please feel free to ask, call, or e-mail library staff for help.

FINDING JOURNALS & MAGAZINES IN THE LIBRARY

Periodicals contain the most current information available in print. As such, they provide an
essential component in the academic research process. The Library subscribes to 140
magazines, journals and newspapers. A printable list of titles and holdings is available on the
Library website. Titles are also listed in the Online Catalog. Current issues are displayed
alphabetically by title on the shelves near the circulation desk. Magazines and journals, both
current issues and back issues, may be checked out for 7 days.

CHECKOUTS

Books check out for 2 weeks and can be renewed for another 2 weeks. DVDs, magazines, and
journals check out for 7 days. SCC students are allowed to check out 8 items at a
time. Residents of the SCC service area - Jackson, Macon and Swain counties - may use the
Library, apply for a borrower’s card, and check out 4 items at a time.

RENEWALS

Users can call the library at 828.339.4288 or email library@southwesterncc.edu to renew
materials. It is the borrower’s responsibility to request a renewal and to pay any fines if they
accumulate.

OVERDUE FINES

The Library charges ten cents per overdue item, per day, except days when the library is
closed. Fines on DVDs are $1.00 per day. Written notices are mailed to remind users of
overdue item status. Please contact library staff as soon as a notice arrives to request a
renewal.

As stated in the Student Handbook, “All library materials must be returned by the end of
each semester and accounts cleared before students will be allowed to register, graduate, or
receive a transcript.”
COPY MACHINE & PRINTER

Students may print “school-related” information from a library workstation for free. Please limit personal printing to 10 pages per day. To make photo copies, ask library staff. Copies cost 10 cents per page. Users are responsible for bringing cash to pay for photocopies.

COMPUTER LAB AT HOLT LIBRARY

The Southwestern Community College computer lab network is available to students, faculty and staff for research and academic purposes. Library lab computers are equipped with Windows operating software, Internet access, and Microsoft Office suite. A centrally located black-and-white laser printer is connected to these computer lab workstations.

SCC ACADEMIC COMPUTER LAB USER POLICY

Internet computers are provided for academically-related learning, research, and information. Time may be limited if others are waiting. Users are expected to be computer literate, and all computer users are expected to bring their own storage media to save their work. Users are expected to treat these learning resources in a responsible manner, consistent with the educational and informational purposes for which they are provided, and to follow the College’s basic rules and regulations. Users may not engage in any activity that is disruptive to others. Users may not print copyrighted information or copy licensed software unless such use is authorized by law.
