

## **Career and College Promise Operating Procedures (Guidelines)**

### **Core 44 College Transfer Pathway**

Session Law 2011-145, the Appropriations Act of 2011, authorizes the State Board of Education and the State Board of Community Colleges to establish the Career and College Promise program, effective January 1, 2012.

#### **Core 44 College Transfer Pathway**

1. The Career and College Promise Core 44 College Transfer Pathway requires the completion of at least thirty semester hours of transfer courses, including English and mathematics.
2. To be eligible for enrollment, a high school student must meet the following criteria:
  - a. Be a high school junior or senior;
  - b. Have a weighted GPA of 3.0 on high school courses; and
  - c. Demonstrate college readiness on an assessment or placement test (See Attachment 1). A student must demonstrate college readiness in English, reading and mathematics to be eligible for enrollment in a Core 44 College Transfer Pathway.
3. To maintain eligibility for continued enrollment, a student must
  - a. Continue to make progress toward high school graduation, and
  - b. Maintain a 2.0 GPA in college coursework after completing two courses.
4. A student must enroll in one Core 44 College Transfer Pathway program of study and may not substitute courses in one program for courses in another.
5. A student may change his or her program of study major with approval of the high school principal or his/her designee and the college's chief student development administrator.
6. With approval of the high school principal or his/her designee and the college's chief student development administrator, a student who completes a Core 44 College Transfer Pathway while still enrolled in high school may continue to earn college transfer credits leading to the completion of the 44-hour general education transfer core.
7. With approval of the high school principal or his/her designee and the college's chief student development administrator, a student may enroll in both a Core 44 College Transfer Pathway program of study and a Career Technical Education program of study.
8. Currently enrolled high school students (Fall Semester 2011) who have successfully completed a college transfer STEM course with a grade of "C" or better may be admitted into a Career and College Promise College Core 44 Transfer Pathway in Spring Semester 2012 without meeting the entry GPA or testing requirements (i.e. PLAN). Students will be required to meet course prerequisite requirements.

#### **Student Application Procedures**

1. The high school will document eligibility criteria (high school GPA and PLAN or other assessment scores) on the student's transcript. A Home school or non-public high school student must submit a transcript and official test scores from an approved assessment test.
2. Students must complete a college application to be admitted into a Career and College Promise pathway.

#### **College Program of Study Approval Procedures**

1. A college must submit a program of study for each Career and College Promise program it plans to offer, using templates and program codes provided by the North Carolina Community College System Office.
2. Programs of study may not include elective options for students.
3. Programs of study must be approved before students can be enrolled.
4. By submitting and requesting approval for a Career and College Promise program of study, a college is verifying its capacity to teach all courses in the program of study.

#### **Program Accountability Plan**

1. Colleges will assign student codes provided by the North Carolina Community College System Office.
2. The North Carolina Community College System Office and the Department of Public Instruction will report annually to the two governing boards on the following outcomes:
  - a. The impact of dual enrollment on high school completion
  - b. The academic achievement and performance of dually enrolled high school students.
  - c. The number of students who successfully complete college pathways or certificates while dually enrolled.
  - d. The persistence, completion rates, and academic achievement of students who continue into college programs after high school graduation.
