Message from Cheryl

By now, you all know our beloved Lisa Fisher has taken a new position at SCC as the College Graphic Design artist. And, as wonderful as Lisa was in SSS, her true gifts and greatness will really shine in her new position. Peter, Laurie and I are very happy for Lisa. We miss her, but she is only a short walk away.

Now comes the transition...out with the old and in with the new (sorry Lisa, we love you...REALLY!)

We are blessed to have found Marji Elzey, the new face at the front desk in SSS. Marji comes to us from Asheville, has a wealth of experience in dealing with the public and is going to be the perfect replacement for our beloved Lisa. In fact, I believe all of you will come to see Marji as helpful and supportive of your academic goals with your first "Marji" interaction. As a side note, Marji's son-in-law teaches at SCC and many of you have taken his class... who might he be?

Stop by the SSS office and introduce yourself to Marji. She is busy learning our systems; but in true SSS service, she will stop what she is doing to assist you.

See you soon!

Congratulations to SSS Students receiving Academic Awards Recognition
