Data Team	Delos Monteith			
Discussion				
Delos proposed appointing a team to collect all the data provided from the surveys and merge it together. The team would be composed of one representative from each team.				
Conclusions				
After discussion, the team membership will include Tony Belcher, Thom Brooks, Cheryl Contino-Conner, Delos Monteith, Barb Putman and Ryan Schwiebert. Delos will notify the members of this new team of their first meeting date, time and location. The Data Team will also conduct a SWOT analysis (strengths, weaknesses, opportunities and threats). The Data Team will prepare a report for the next Task Force meeting
