Billboard new on 107

Go get help for blackboard at the open lab

Library is being revamped so please go by and see the new shelving. They are also going to a new system.

Wellness screening Thursday

Continuing Education is having drone certification, vet tech certification, real estate continuing education

Advising Day was a great success with lots of registration.

Going abroad with SCC. Survey was responded by 130 people.

Special Guests: 10 mins. Amanda Everhart- Career Early College Promise

Highlights: High school students have pathways that they have to follow. Pathways include but are not limited to college transfer, career technical, automotive, business administration, criminal justice certificate, emergency medical science, etc. Once a student is in a pathway, they must finish a pathway to be able to go to another pathway. Students can only be on one pathway at a time. For a student to begin a pathway, there are strict restrictions that must be followed. Please **DO NOT ADVISE HIGH SCHOOL STUDENTS**. If you have any questions please contact Amanda Everhart at extension 4291 or email at a_everhart@southwesterncc.edu

News & Upcoming Events:

There was not enough senators for a quorum. Therefore senators will be polled electronically.

Thursday, November 16th is the last day to meet with the supplemental insurance. Meet at the auditorium.

Please don't forget to donate money with payroll deduction to be given to students thru the Foundation.

Please test the 2 options for the new lms' that the e-learning committee is reviewing so you can have input into the decision.

Old Business -

-Update: Bookstore & Faculty Discount on Textbooks (Amy/Kristyn) The bookstore can not give a discount for textbooks to faculty/staff.

-Update: All of the information for faculty senate will be taken out of blackboard and into the team drive.

Watch for the next poll to determine when the next meeting will be for next semester.
