

Beginner Spanish Level I:

Beginner Spanish-Level I provides the foundation upon which future levels will be based. The focus of this level is to learn proper pronunciation as well as the basic structure of the language. Present-tense verb conjugations are considered as well as the correct formation of sentences, negative sentences and questions. Latin American cultural difference will be discussed which will definitely help those who are planning a trip to a Spanish speaking Latin American country. ***SelfSupporting*** \$85 + Textbook Cost

The cost was the price when it was last offered. This may change when it is offered next.
