Message from Cheryl

Early registration for spring semester 2009 will be held November 17-21. Stop by our office ASAP to make an appointment ... sign-up sheets are posted at our office doors.

What should you do before your registration appointment?

1. Go online (the spring schedule of classes is already available) and check out what is being offered;
2. Develop a tentative schedule with a substitute class or two just in case the first class you picked is full at the time you register. When looking at the 2009 spring schedule, you will

note that MOST classes are offered on Monday, Tuesday, Wednesday, and/or Thursdays.

3. Keep track of your graduation progress by noting classes taken and passed in your SCC catalog.
4. Show up on time for your scheduled registration appointment with your selected classes in hand.

Should you have any questions about the spring schedule prior to early registration week, come on in and see us.

As always, we are here for you!
