Using the Psychology of Adult Learners to Assist Your Student’s Learning

Tuesday, September 20, 2005

3:00 p.m.

Bradford Hall Conference Center (CC100)

Drs. Kevin Pennington and Mitchell Williams

Define the difference in adult and child learning principles
Share ideas to empower adult learning in the classroom

The entire college is invited to this TLC.

This is a must see TLC!

Everyone could use a little TLC!

Light refreshments will be served.
