

Tobacco-Free Campus

Southwestern Community College is a Tobacco-Free Campus

Southwestern Community College (SCC) is committed to providing a safe and healthy environment for its employees, students and visitors. It is the intent of the SCC Board of Trustees to establish a tobacco-free environment at all college locations.

Effective May 9, 2012, use of tobacco products will not be allowed on any college property or in any college facility; this includes all buildings, grounds, sidewalks, parking lots, vehicles, and streets within the campus proper. SCC will display notices of its tobacco-free policy at all college locations.
