	Current Related Professional Medical Certification or Credential			Yes (2)	No (0)		2	
TOTAL SCORE (total possible score varies based on program coursework)							100+ (varies)	

Note: This rubric may be used for all health science programs. Some programs require students to meet a minimum TEAS score or GPA, regardless of points earned. Programs may have additional expectations about readmittance, attendance to orientations/info sessions, behavior expectations, background checks and drug screens. After initial selection, programs will move to rolling admissions to fill any vacant slots with qualified applicants. (updated 9/10/25)
