^{*}Computer Competency is required, either by passing a proficiency exam or CSCI 1100 completion.

Admission Requirements
Students seeking admission to the Radiography completion program must meet the following criteria:

- College GPA of 2.5 or better on a 4.0 scale on all transferable credit;
- Transcript(s)- proof of graduation from an accredited allied health professional program;
- Licensed for professional licensure in the discipline.
- 30 Semester Hours (10 Courses) must be completed through ETSU.
- General Education Core Requirements may be completed through ETSU or Community College, or any 4 year accredited College University.

Students must earn a minimum grade point average (GPA) of 2.0 in all courses (ETSU, including transfer) and published requirements for the major and/or concentration and the minor, if applicable.

For more information about the program, admissions, tuition, or financial aid for transcripts evaluations contact:
Radiography

The online Radiologic Science Completion Program is designed to offer students with an A.S./A.A.S. degree in Radiography the opportunity to obtain a baccalaureate degree by using their A.S./A.A.S. credit hours.

Our graduates are equipped with entry-level management, group dynamics, and supervisory skills as they relate to the allied health disciplines. Successful completion of this program will increase graduates' mobility into leadership positions in their respective professions.

Most four-year universities do not allow a majority of allied health credit hour transfers from community colleges, but we are not like most universities. ETSU gives A.S./A.A.S. graduates the opportunity to *transfer allied health professional course credit hours from a community college*.

Upon completion of ALHE 3010 and ALHE 4070 (which should be taken in the first semester at ETSU), ETSU will award 47 bridge credit hours.

Admissions Requirements

Students seeking admission to the Radiography completion program must meet the following criteria:

1. College GPA of 2.5 or better on a 4.0 scale on all transferable credit;
2. Transcript(s) - proof of graduation from an accredited allied health professional program;
3. Licensed or eligible for professional licensure in the discipline.

Completion/Graduation Requirements

1. 30 semester credit hours (10 courses) must be completed through ETSU:
 - ALHE 3010 - Allied Health Professionals (enroll 1st semester)***
 - ALHE 4070 - Leadership in Allied Health (enroll 1st semester)***

- ALHE 4060 - Research in Allied Health
- ALHE 3040 - Interprofessional Allied Health Teams
- ALHE 4100 - Information Management for Allied Health
- RADT 4020 - Clinical Education V
- RADT 4030 - Radiographic Pathology
- RADT 4060 - Digital Imaging in Radiologic Technology
- General Education Requirement (6 Credits)

2. [General Education Courses](#) - may be completed through ETSU, a community college, or any 4 year regionally accredited college or university

3. Additional Science Requirements (please consult with your advisor to ensure courses taken transfer into ETSU):
 - Anatomy & Physiology (8 credit hours)-satisfies gen. ed. science requirement
 - Chemistry w/ lab (4 credit hours)
 - Microbiology w/ lab (4 credit hours)
