

*"(This scholarship provides me with) the ability to go back to school, to not fight for my life to afford it. School is everything to me. I love it. I want to use this degree to help my community and the earth. Thank you; I will earn this."*

**Southwestern**  
COMMUNITY COLLEGE  
FOUNDATION

A campaign by SCC employees in support of  
*SCC students, faculty and staff!*

This year, the SCC Foundation supported **264** SCC students with scholarships, New Century Scholars and emergency help exceeding **\$418,000!** This would not be possible without the generosity of donors within our community and the contributions of SCC faculty and staff. We are grateful to our amazing SCC family for your phenomenal investment in student success!

“Receiving this scholarship has not only eased the financial burden of tuition and materials but has also served as a profound encouragement that **it is never too late to invest in oneself and follow one's dreams.** Please know that your generosity is not only supporting my educational path—it is also setting an example for my children and grandchildren about the value of perseverance, hard work, and lifelong learning.”

-- Amy Frady

“[The Nursing program] has reignited my passion, and I am fully committed to becoming a nurse who brings compassion, knowledge, and strength to every patient I encounter. This scholarship not only helps ease the financial burden of returning to school as an adult learner but also gives me the encouragement to keep pushing forward. **It's a reminder that someone believes in me and in my potential to make a difference.**”
