

# Human Services Technology - Addiction & Recovery Studies - Health Sciences

FOLLOW US

## ABOUT THIS FIELD

The Human Services Technology - Addiction & Recovery Studies curriculum prepares students to assist in drug and alcohol counseling, prevention-oriented educational activities, rehabilitation with recovering clients, managing community-based programs, counseling in residential facilities and pursuit of four-year degrees.

## WHAT YOU'LL STUDY

Course work includes classroom and experiential activities oriented toward an overview of chemical dependency, psychological/sociological process, the twelve Core Functions, intervention techniques with individuals in groups and follow-up activities with recovering clients.

## WHAT YOU CAN DO

Employment opportunities include substance abuse associate professionals, SA community workers, halfway house workers, residential facility employees and substance education specialists.
