Appointments are available in person, over the phone, or online.

I am primarily working off campus, so you must schedule an appointment, regardless of how you would like to meet. To schedule an appointment, please visit my Google calendar at <http://bit.ly/2zldxmb>. If you are a current student and need immediate assistance, please check the announcements in your Moodle course, where you will find emergency contact information posted in the Moodle announcements. I am available outside of the appointment blocks above. If you cannot meet during the appointment times listed above, please email me so that we can make alternate arrangements.
