### Important Reminders:

- Check with your SSS advisor on a regular basis. We want to know how you are doing.
- Check your mailbox in the SSS office weekly. Information, announcements, and sometimes a surprise will be placed in your box.
- It is not too late to apply for Pell Grant funds. Pick up your Free Application for Federal Student Aid (FAFSA) today.

What would your answer be if you asked yourself, "What value have I placed on my academics this semester?"

Some of you have invested everything in your education. You have attended every class, been on time, completed the assigned readings and homework, and have prepared for all of your quizzes and exams. In other words, you have been an excellent student! Predictability measures indicate that you will be an excellent career employee as your educational performance is a good indicator of your future professional performance.

If you are not able to answer the above question with a confident, positive, career building response, now is the time to develop a plan for a productive spring educational investment. We are happy to help with this plan! Early registration is right around the corner. Be sure to schedule an appointment with your advisor during this week as the best plans include you getting the classes you need at the times that best fit your busy life schedule.
