Message from Cheryl

Enjoy your summer!

The months of summer provide the perfect opportunity to chill. We hope you are taking time to relax and rejuvenate before the fall semester begins.

Saying that, a very important step in having a successful, more relaxed start to fall semester is registering **BEFORE** fall semester classes begin. So, while you are chilling during the summer months, be sure to take care of the one step (registering for fall classes) that will provide you with the best chance for a smooth transition into fall semester.
