Student Support Services is volunteering at the Cullowhee Community Garden throughout the year. We will have work days several evenings this summer. Stay tuned for the dates.

Do You Have What It Takes To Be a TUTOR At SCC?

Is there a particular subject that excites you and you excel at?

Do you find yourself helping your peers with certain courses?

Do you have a 3.0 or higher GPA?

If you answered yes to the questions, consider becoming an SCC tutor.

For more information, contact Laurie Butler at 828-339-4231 or laurie@southwesterncc.edu

Community Service Day Cullowhee Community Garden

Student Support Services volunteered at Cullowhee Community Garden on April 22nd (Earth Day). Over 50% of the produce from the garden goes toward hunger relief efforts in Jackson County.

Volunteers helped remove weeds from garden beds as well as haul mulch. SSS will volunteer at the garden during the summer and fall semesters. This is a great way to give back to the community as well as make new friends.

SSS is a Federally funded TRIO program providing more than one million dollars to support student success at SCC.
