Progress Report on Scholarship Recipient Form
GUIDELINES FOR ADMINISTERING THE NORTH CAROLINA COMMUNITY COLLEGE SYSTEM OFFICE SCHOLARSHIP PROGRAMS

The responsibilities of the community college under the scholarship program shall be to:

1. Advertise and promote the availability of scholarship programs in its service area.

2. Have an existing scholarship committee select recipients and alternates on the basis of specific scholarship criteria.

3. Submit student information on the Scholarship Reimbursement Request Form for each of the Wells Fargo Scholarship recipient to the Office of Financial Aid and Student Success, North Carolina Community College System.

   All colleges must submit reimbursement forms by the required deadline listed under the Wells Fargo Scholarship (p. 17) in order to receive funds. You are encouraged to submit forms prior the deadline date.

4. Coordinate publicity efforts for all scholarship announcements.

5. Notify recipient(s) of the scholarship(s) awarded to them.

6. Notify the System Office of scholarship recipients, who did not enroll, withdrew, etc., from the college by the census date of the term or course. The college shall select alternates for each scholarship program using the Recipient Change Form (page 44) and submit all information (full name, home address, social security number, sex, race, and curriculum program) at the same time the college notifies the System Office that the initial recipient is not enrolled.

7. Notify the System Office when a program has changed or has been eliminated.

8. Return check(s) of recipient(s) who did not enroll, withdrew, etc., as soon as this information is known. Returned checks should be addressed as follows: Mrs. Cindy Mixter - Business & Finance, NC Community College System, 5013 Mail Service Center; Raleigh, NC 27699-5013 or

   If the scholarship is from the Community College Foundation, please return funds to Mr. Bryan Jenkins, Executive Director of the State Board, North Carolina Community College Foundation, 5001 Mail Service Center, Raleigh, NC 27699-5001.

   Note: Adhering to this timetable will allow the System Office and private sponsors to process the changes in time to award all available funds to students.
The responsibilities of the System Office under the scholarship programs shall be to:

1. Compile a master list of the scholarship recipients from the 58 community colleges for each scholarship program.

2. Submit to the Office of Business and Finance a listing of scholarship recipients, with a request that checks be made payable to the recipients and the college.

3. The Office of Business and Finance will disburse the all scholarship payments to college’s Business and Finance Office.

4. Submit to each private or corporate sponsor a list of the scholarship recipients each semester.

5. Assist each college in administering scholarship programs.
Policies for the North Carolina Community College Grant and Targeted Financial Assistance

G.S. 115D-40.1 establishes a need-based financial assistance program for community college students, targets a portion of the funds to students enrolled in high demand/low enrollment programs, and provides tuition assistance to eligible Vocational Rehabilitation students.

The State Board of Community Colleges is required to establish rules and policies for the implementation of the grant and loan program and the targeted financial assistance program. The following are policies for the administration and implementation of the programs.

A. Policies for the North Carolina Community College Grant Program

1. The State Board of Community Colleges will contract with the North Carolina State Education Assistance Authority (NCSEAA) to administer the financial aid program. Procedures for administering the program will be developed by the NCSEAA and the North Carolina Community College System (NCCCS) Office.

2. To be eligible for need based grants under this program, students must meet the following criteria:

   (a) be admitted to a curriculum program and be enrolled for at least six credit hours per semester;
   (b) be a North Carolina resident;
   (c) have completed and submitted the Free Application for Federal Student Aid (FAFSA);
   (d) qualify for the grants based upon a valid Expected Family Contribution (EFC) calculation under Federal Methodology and the program's recognized "required educational expenses" for attending a North Carolina community college; and
   (e) meet all other eligibility requirements for federal Pell Grant.

3. Financial aid officers at the community colleges will certify eligibility of their students. A graduated schedule will be used to provide grants to curriculum students who meet the criteria in #2.

   The program's recognized "required educational expenses" for a North Carolina resident will be determined annually based upon tuition and fees for fall and spring terms, the estimated cost of books and supplies, and a small travel allowance. The amount may be adjusted to ensure that all eligible applicants receive need based grants.
4. The State Board will receive an end-of-year report from NCSEAA and will review its rules and policies annually. The NCSEAA will transmit data on community college students applying for and receiving grants to the System Office, which has responsibility for evaluating the program.

5. Consistent with this act, each community college will designate at least one financial aid counselor to inform students of federal financial aid programs, the Hope and Lifetime Learning Tax Credits, the North Carolina Community College Grant Program, and other financial aid options. The NCCCS Office will coordinate a training program for financial aid counselors and will disseminate information about the program to the public.

POLICIES for the NORTH CAROLINA COMMUNITY COLLEGE GRANT, LOAN PROGRAMS and TARGETED FINANCIAL ASSISTANCE

The state funding for the Targeted Assistance (High Demand/Low Enrollment) Program and, less than half-time enrolled certificate, and diploma program funding were consolidated for the FY 2017-18 academic year at an amount not to exceed $550,000. The State Board of Community Colleges will approve the amount allocated to each college and will determine this amount through a distribution model based upon the percentage of Pell Grant awards made by the college. Each college will receive an award allocation amount annually. Colleges should award available funding to eligible students in each program until expended.

B. Policies for less than half-time enrolled certificate, diploma and associate degree students

1. The State Board will allocate funding to colleges to provide need-based assistance to students enrolled less than half time in certificate, diploma or associate degree programs.

2. All Certificate, diploma and associate degree students must complete the Free Application for Federal Student Aid (FAFSA) to be qualified for this need-based financial assistance. Students enrolled in certificate programs that are ineligible for federal student assistance may qualify for these funds. The Student Expected Family Contribution (EFC) must be from 801 through 4000.

3. Qualified students enrolled less than half time shall be eligible for $30 per semester hour up to a maximum of $150. Qualified students in programs that are ineligible for federal student assistance shall be eligible for $30 per semester hour up to a maximum of $150.

4. Funds allocated to the community colleges will include a base rate plus a percentage as determined by the colleges’ Pell funds awarded and listed in the most recent final NCHED A-10 report of the community college system data warehouse.

5. Colleges will report to the System Office after June 30th each year a) The number of students assisted by enrollment status, and b) the amount of expended and unexpended funds.
6. Unrequested funds held at the System Office on November 15th of each year may be reallocated to colleges that demonstrate additional need for less than half-time enrollment funds.

C. Policies for the Targeted Assistance (High Demand/Low Enrollment) Program

1. The State Board may allocate a percentage of the funds appropriated for Financial Assistance for Community College Students to students who enroll in low enrollment programs that prepare students for high-demand occupations. The actual amount of funds allocated shall be adjusted annually, based upon availability of funding in the NC Community College Grant Program.

2. The local community colleges shall identify credit and noncredit programs with enrollment that is substantially less than program capacities, but are in high demand regarding employees needed in those service area labor forces.

3. Based on local training and employment needs, the local community colleges shall determine the ratio for distribution of funds to credit and noncredit programs.

4. For students enrolled through the sponsorship of the NC Division of Vocational Rehabilitation (VR), colleges may apply these funds to the cost of the in-state tuition rate less the tuition payment authorized by VR.

5. Certificate, diploma and associate degree students must complete the Free Application for Federal Student Aid (FAFSA) to be eligible for this need based financial assistance.

6. Funds allocated to the community colleges will include a base rate plus a percentage as determined by the colleges’ Pell funds awarded and listed in the most recent final NCHED A-10 report of the community college system data warehouse.

7. Upon request from the president or chief financial officer of the college, funds will be disbursed to the System Office Vice President for Finance. Funds that are not disbursed by the end of the Fall Semester may be reallocated.

8. Colleges will submit a progress report to the System Office in November of each year that lists the unexpended balance and lists the credit and noncredit programs in which students receiving assistance are enrolled.

9. Colleges will report to the System Office after June 30th each year: a) The number of students funded, b) A listing of the credit and noncredit programs where funds were targeted, c) Number of completers, d) Number of continuing students and e) The amount of unexpended funds.

10. Effective July 1, 2002 unrequested funds held at the System Office on November 15th of each year may be reallocated to colleges that demonstrate additional need for targeted assistance funds.
OVERVIEW
The North Carolina GlaxoSmithKline (GSK) Foundation, Inc., The General Assembly of North Carolina and Bank of America have contributed more than $2 million toward the establishment of an endowment within the North Carolina Community Colleges Foundation to support an expanded role for North Carolina's community colleges in teacher preparation.

The Endowment funds an annual scholarship/loan for prospective teachers enrolled in community college degree programs tied to baccalaureate completion programs on North Carolina community college campuses and innovative projects at community colleges.

Candidates shall be selected without regard to race, sex, color, creed, religious preference, age, national origin or disability.

The SECU Foundation established this two-year scholarship program to assist North Carolina Community College System (NCCCS) students in achieving academic success. The members of the State Employees’ Credit Union take an active role in assisting organizations and communities across North Carolina and truly believe in “People Helping People!”

Recipients are selected by the Scholarship Selection Committee. The Scholarship Selection Committee must use the following criteria to award the SECU Foundation “People Helping People” Scholarships. The criteria have been designed to give the Scholarship Selection Committee maximum flexibility in awarding the scholarship.

There are 116 scholarships valued at up to $5,000 each. Each North Carolina Community College will receive two (2) scholarships. These scholarships are distributed semi-annually in two payments: fall semester, $1,250 per student; and spring semester, $1,250 per student for a maximum of four (4) consecutive semesters. Scholarships are not transferable to another student or another school.

The committee will recognize the individual most deserving of an opportunity to attend college. There is no formal application process. The committee will consider students who best exemplify the membership philosophy of credit unions, “People Helping People”, and have demonstrated leadership, excellence of character, integrity, and community involvement. The recipient will be selected without regard to race, sex, color, creed, religious preference, age, national origin or disability.

Preference will be given to students whose parents or guardians and family members are public sector employees who live and work in North Carolina. Information for the scholarship is available through the financial aid office. Students must meet the following criteria:

1. Is an applicant or full-time student who is a high school graduate or has completed the General Education Development (GED) program, enrolled in an associate degree, diploma or certificate program.

2. Is a U.S. citizen and a resident of North Carolina under NCGS 116-143.1, and is eligible for in-state tuition.

3. Best exemplifies the membership philosophy of credit unions, “People Helping People” and has demonstrated leadership, excellence of character, integrity, and community involvement.
4. Demonstrates financial need using the Free Application for Federal Student Aid (FAFSA). Preference may be given to students with limited financial aid from other programs.

5. Demonstrates scholastic achievement and maintains a 2.5 or higher grade point average on a 4.0 scale or attained a score of 3,000 on the GED test.

6. Uses the scholarship to pay tuition, books, fees, course supplies and transportation.

7. Agrees to continue at the community college where enrolled at the time of the scholarship award for the duration of the scholarship, for four consecutive fall/spring semesters or upon completion of a diploma program. Scholarships are not transferable to another student or another school.

8. Is not a Director, employee or family member of an employee of the State Employees’ Credit Union or SECU Foundation.

The Decision of the Scholarship Selection Committee will be final.
Commencing with the fall semester, recipients of the scholarships will be selected each year from students meeting the above criteria at local community colleges. The college will use its scholarship selection committee to select eligible recipient(s). The Community College will complete a Student Data Form for each recipient and forward to the State Employees’ Credit Union Foundation on or before the deadline established each year.

Funds will be forwarded to the community college financial aid office. Funds will be made payable to the local Community College on behalf of the student and applied to the student’s account to pay tuition, books, fees, course supplies and transportation. Excess funds may be distributed to the student.

The Community College will also collect fiscal and student progress/completion information and provide a report to the State Employees’ Credit Union Foundation semi-annually as each recipient is enrolled full-time for the Fall and Spring semesters. Recipients of the scholarships consent to the release of their names and images for publications of the System Office, the local Community College, and/or the State Employees’ Credit Union and its Foundation.

Each community college will select students who best exemplify the credit union philosophy of “People Helping People”. There is no formal application process. Information for the scholarship is available through the financial aid office. The Scholarship Selection Committee will collect required information and complete the Student Data/Media Consent Form (attached), and send that information to the SECU Foundation by Friday, August 18, 2017.

**Scholarships are not transferable to another student or another school.**

A representative(s) of the local State Employees’ Credit Union will be invited to the College to present a letter of award to the recipients at the College’s recognition programs.
