

SOUTHWESTERN COMMUNITY COLLEGE	INSTRUCTIONAL LIBRARY COLLECTION DEVELOPMENT	Policy 5.02.09
-----------------------------------	--	--------------------------

I. Library Mission

The Library supports the mission of Southwestern Community College by providing a quality collection of materials to support college curricula and the scholarship of teaching and learning, to promote leisure reading, and to make lifelong learning resources available to SCC students, college employees, and residents of the college service area.

II. Collection Development

The Library Director will facilitate and maintain a Library Collection Development Process as a guide to the selection and maintenance of learning resource materials, purchased from the state book budget, that comprise the digital and hard-copy collections in the Southwestern Community College Library.
