

SOUTHWESTERN COMMUNITY COLLEGE	INFORMATION TECHNOLOGY SECURITY AWARENESS TRAINING POLICY	Policy 8.09
--------------------------------------	---	----------------

I. POLICY STATEMENT

Southwestern Community College recognizes the importance of cybersecurity awareness and training in maintaining the security and integrity of its information systems. All employees, contractors, and other stakeholders who have access to the College's information systems must undergo appropriate training to ensure they are aware of security risks and the best practices for mitigating those risks.

II. PROCEDURES

See SCC Procedure 8.09.01 SECURITY AWARENESS TRAINING PROCEDURE.

Adopted: September 2025

Revised: N/A
