

SOUTHWESTERN COMMUNITY COLLEGE	INFORMATION TECHNOLOGY INFORMATIONS SYSTEMS OPERATIONS SECURITY	Policy 8.17
--------------------------------------	---	----------------

I. POLICY STATEMENT

The purpose of this policy is to ensure the correct and secure operations of Southwestern Community College ("College") information resources from accidental or intentional damage or loss of data, interruption of College business, or the compromise of sensitive information. This policy establishes minimum guidelines for the College Information Technology Division to protect the confidentiality, integrity, and availability of College information resources accessed, managed, and/or controlled by the College.

College shall develop, manage, and review operating procedures to create the proper security posture for protecting College information resources. Such procedures shall be periodically reviewed as required.

II. PROCEDURES

See SCC Procedure 8.17.01 (INFORMATIONS SYSTEMS OPERATIONS SECURITY).
