

SOUTHWESTERN COMMUNITY COLLEGE	INFORMATION TECHNOLOGY ENTERPRISE ASSET MANAGEMENT	Policy 8.18
--------------------------------------	--	----------------

I. POLICY STATEMENT

It is important for Southwestern Community College ("College") to develop an enterprise asset management process. This process should include establishing and maintaining a detailed enterprise asset inventory and addressing unauthorized assets, at a minimum. This document supports the development of a process for managing enterprise assets and the implementation of Safeguards in the Center for Internet Security (CIS) Control.

II. PROCEDURES

See SCC Procedure 8.18.01 (ENTERPRISE ASSET MANAGEMENT).

Adopted: September 2025
